NEW

2 options available for every product:

- 1 > **The Essential option**: for an increased resistance to chemical products. Specially designed for the presentation of cosmetic products on a display
- 2 > **The mono Satin option**: the Satin finish offers a softer surface protected against scratches and finger marks

An attractive solution...

**Simple and practical to implement**

- > A single unit: easy to manufacture and resistant
- > Illumination possible by homogeneous diffusion of light or by backlighting with opaque blocks
- > Ideal for shapes of any size including small sizes

**Economical**

- > Simplified production stages
- > A single material to manufacture: no gluing
- > Minimal maintenance
